

PRINCIPAL'S REPORT – June 25th

End of Term

We were so pleased to have our students back with us again after the 2 weeks of lockdown. We are all hoping that Term 3 is lockdown free. Hopefully the vaccine rollout will be ramped up and more of our community can receive their vaccinations sooner rather than later.

Dismissal will be at 2:30pm today. Aftercare will be available from 2:30pm until 6:15pm.

School resumes on Monday 12th July. We will have 3 new students starting with us - I am sure everyone will make them feel welcomed into our community.

I wish everyone a happy and refreshing break and look forward to seeing you at school again in third term.

Forthcoming Changes to Traffic and Parking for Term 3 – **PLEASE TAKE NOTE**

There will be very significant changes to parking and traffic flows in the streets surrounding Birralelee PS beginning in Term 3. Please make sure you familiarise yourself with the [attached map](#) and read through [accompanying letter](#) from Manningham Council which details the changes.

Manningham Council is also going to undertake a pedestrian and traffic count at the intersection of Stanton Street and Heyington Avenue, where many students and parents cross to use the footbridge across the freeway.

Numerous parents and staff members have voiced concerns about near misses at that intersection. It may be that a supervised crossing is installed there should the pedestrian and vehicle count be high enough.

\$4.164 Million Capital Works Program

Jacque Clement, Tanya Burton and I, with input from parents, staff members and students, have been spending a great deal of time over the past four weeks, finalising the documentation required for our future building program. The documentation was finally uploaded yesterday to the Victorian School Building Authority (VSBA).

Today, I was contacted by Carmen from the VSBA to arrange for architects from three architectural firms to make a site visit to Birralelee next Thursday. They will have access to the documentation we have submitted and gain local knowledge from the visit. Jacque Clement, Tanya Burton, our school council president Lisa Lavery, and I will also be onsite to assist with any questions asked by the architects.

The three architectural firms will then tender for the building project. Events are moving rapidly - what an exciting time for our school!

Capital Works Program

Staffing Changes

Samantha Boyden has been appointed to takeover Mrs Maltezos's Year 5 class from the beginning of Term 3. As this is a Family Leave position which may continue for up to seven years, we needed to make sure we found an experienced teacher to take on the position. I had hoped to be able to have this position settled earlier in the term, when we interviewed the first time, however the interview panel decided to make a 'no appointment' decision. We then had to re-advertise the position which meant another fortnight before we could even begin the shortlisting process and move to interview. Shortlisting took place over last weekend, we interviewed on Monday and were very happy to appoint Samantha Boyden to 5M.

Crystal Mark has been appointed to a one term position in 4S. Mrs Salzmänn is taking long service leave next term.

Grade 6 Market Day

We would like to thank the school community in supporting our Grade 6 students on Market Day. We are so proud of the Grade 6 students who all did an incredible job planning and running their stalls. The entire school had so much fun over the two Market Days and we are so grateful that we were able to bring some joy and happiness to the kids after what has been a challenging 18 months!

We managed to raise over \$2,000 which will go towards our Transition Night celebrations at the end of the year.

Thanks again!
