

Parents and Friends Association (PFA) News

Father's Day: We had a blast at our PFA Father's Day event, held after school on Friday 4 September! From charades, trivia, to 'Floor is Lava' and 'Escape challenge', everyone had a great time working together and getting to know each other better. Congratulations to Imogen (5G) and her dad for winning our First Prize in our lucky draw!

FUNDRAISING: We've had great success for our three recent fundraising events, our Pie Fundraiser with Egon's in Templestowe Lower (June), Silent Auction (August), and Dumpling & Chilli Oil Fundraiser with Ramen & Dumpling House in Doncaster East and Benjamin's Kitchen in Alphington (September). A big thank you to everyone who supported our fundraisers. We're grateful to families for their participation and for helping us generate valuable funds to support our school. The PFA is currently raising funds to install shade sails over our second playground.

Next PFA Meeting - Monday 7pm 14 September at Pancake Parlour - RSVP via email!
