Complaints and concerns process for students

Birralee PS acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Birralee PS encourages our students to raise issues or concerns as they arise, so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with their classroom teacher, year level coordinators, wellbeing staff, Koorie Education Support Officers, leadership staff and Education Support Staff. The recipient of the complaint will take the student's concern or complaint seriously and will explain what steps can be taken to try to resolve the issue. Students may also ask their parents, carers or another trusted adult outside of the school, to talk to their teacher or leadership staff about an issue, instead.

Other ways students can raise a concern or complaint include:

- talking to a member of the student representative council or a student leader about a concern and offer suggestions for resolution
- participating in the annual *Attitudes to School Survey* (for Years 4-6 and usually completed in May)
- participating in student forums

Support person

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you and provide their name and their relationship to you.

Raising a concern

Birralee PS is happy to discuss with parents/carers and community members, any concerns that they may have. Concerns in the first instance should be directed to your child’s teacher or year level co-ordinators. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Our school also offers interpreting and translation services to parents and carers who have limited or no English language skills, to assist in communicating their concerns.

Making a complaint

Where concerns cannot be resolved in this way, parents, carers or community members may wish to make a formal complaint to the principal or an assistant principal, noting that formal complaints should be directed to a member of the school’s leadership team.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

1. **Complaint received:** Please either email, telephone or arrange a meeting through the front office with the principal or an assistant principal, to outline your complaint so that we can fully understand at the issues. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.

2. **Timelines:** Birralee PS will acknowledge receipt of your complaint within a few school days and will seek to resolve complaints within 15 school days. Depending on the complexity of the complaint (such as investigation time and advice sought), some

may take more than 15 school days. We will endeavour to complete necessary information gathering and hold a resolution meeting where appropriate, within 10 working days of the complaint being raised, whenever possible. In situations where further time is required, Birralee PS will consult with you and discuss any interim solutions to the dispute that can be put in place.

3. **Information gathering:** Depending on the issues raised in the complaint, the principal, assistant principals or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to school and regional staff to obtain details about the situation or the concerns raised. In some instances, the leadership team may reach out to subject matter experts for advice. The school may also reach out to the complainant for further information or to clarify concerns.

4. **Response:** Where possible, a resolution meeting will be arranged with the principal/ assistant principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action. In some circumstances, the principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

   In some instances, the school (in consultation with the region), may suggest mediation, conciliation or other alternative methods of resolving the complaint, based on the complexity and urgency of issue raised in the complaint.

Please note that unreasonable conduct (e.g., vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Birralee PS may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- suggesting seeking student counselling or other support
- other actions consistent with school values that are intended to support the student, parent/carer and school relationship, engagement, and participation in the school community.

In some circumstances, Birralee PS may also ask you to attend a meeting with an independent third party or to participate in a mediation with an accredited mediator, to assist in the resolution of the dispute.

In some instances, the resolution may include actions that must be taken by both the school and the complainant.
