Inclusion and diversity

Birralee PS strives to provide a safe, inclusive and supportive school environment, which values the human rights of all students and staff.

Birralee PS is committed to creating a school community where all members of our school community are welcome, accepted, treated equitably and with respect, regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation, so that they can participate, achieve and thrive at school.

Birralee PS acknowledges and celebrates the diversity of backgrounds and experiences in our school community, and we will not tolerate behaviour, language or practices that label, stereotype or demean others. At Birralee PS, we value the human rights of every student, and we take our obligations under anti-discrimination laws, and the Charter of Human Rights and Responsibilities, seriously.

Birralee PS will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly), and where necessary, are reasonably accommodated to participate in their education and school activities (e.g., school sports, concerts and events) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately to address alleged student victimisation.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Birralee PS. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to 'speak up' and to inform teachers, parents or carers about these behaviours, to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Birralee PS also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may

consult through a Student Support Group process and in other less formal ways. For more information about support available for students with disabilities and for communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy, or contact

the school's Disabilities Co-ordinator via the administration office (T: 9848 49960), for further information.
